

Towngas

“Supporting F&B and the Economy” Campaign

Kitchen Equipment Rental and Purchase Scheme

To facilitate individuals and organisations looking to join the catering industry, Towngas launches a kitchen equipment rental and purchase scheme, especially tailored for small- and medium-sized eateries, to purchase kitchen equipment and facilities, lowering the start-up investment cost and addressing potential cash flow difficulties.

 Support small- and medium-sized eateries to start business

 Address cash flow difficulties

 Lower start-up investment cost

 18-month interest-free instalment plan
